

JOIN BUCKINGHAM'S HONOR BOOK CLUB!

has sprung! How about remembering that special teacher on Teacher Appreciation Day in May? This is a wonderful way to honor them or someone in your family! Give a new book to the school library in their honor. When you donate a book, it expands the Buckingham library and makes someone feel very special.

Stop in to the library to pick from the "Donation Station" display, which features a miniature visual and brief summary/review of each book. Or you can purchase your child's or his/her teacher's favorite hardcover book or subject and bring it to the library. If you don't have a particular book in mind, give us a few guidelines (e.g. author, subject, title, or grade level) and we'll take care of the rest.

A personalized bookplate is permanently placed in the book. If the dedication is to a student or teacher, the book is presented in front of their class, with a Note of Appreciation. Additionally, the dedication will be acknowledged in the Buckingham Banter's monthly newsletter.

Revitalizing this program with your support is greatly appreciated and the entire school benefits!
